

Mathematical Summer in Paris 2023 – Code of conduct for participants

During the school

- I commit to attending all lectures and problem sessions that fit my timzone.
- I commit to connecting to all online platforms associated with MSP21 (WorkAdventure, GoToWebinar, etc.) using my real name.
- I will not share any commercial or inappropriate content.
- All links, passwords and documents accessible to me are for personal use only. I will not share them with anyone nor make them public in any way.

Interactions with others

- I will be respectful in all my interactions with others, and do my best to promote team spirit and preserve a cordial and participative atmosphere.
- I will respect the privacy of the other participants. In particular, I will not record in any way any of the activities involving other participants during the school (video or audio recording, screenshot, etc.).
- I will only use English in all my interactions with others.
- I understand that I can be prevented from attending the school if I do not follow the above code of conduct.
